I understand the following (please initial all):

- Our 3 Pint Max Policy:** since opening our doors in 2009 we have maintained the practice of serving guests a maximum of three pints. As a family friendly establishment, this policy helps us prevent issues and keep the tap room energy positive and low key. Please keep this in mind when planning your event.
- We are always all ages, however...** We are a brewery and we serve alcohol. We can host a child’s first birthday, but we are not an appropriate venue for any other minor-focused gatherings. Children of all ages (toddlers to teenagers) need to be within arms-reach of their parents/guardian, using inside voices and engaging in appropriate behavior at all times. Running, screaming and crawling through entry and service areas, and jumping or climbing on furniture, are all examples of behaviors that risk safety and negatively impact the environment for other guests. Children are not to be unattended at any time.

Group Tabs (please initial all):

- There are no bar minimums required for reservations in the Tacoma Event Room or the Gig Harbor Back Room. Guests can order individually, or the host can run one large tab for your group if a credit card is provided upon ordering. Tabs can be split between multiple people if desired.
- You can use drink tickets (to be provided by guest) to limit the number of beverages on your group tab. Beverages cannot be pre-purchased.
