***The event space holds approximately 50 people for a casual event with some folks standing and mingling. For large parties, additional guests may overflow into taproom area which is first come first serve seating.*

I understand the following (please initial all):

- Our 3 Pint Max Policy:** since opening our doors in 2009 we have maintained the practice of serving guests a maximum of three pints. As a family friendly establishment, this policy helps us prevent issues and keep the tap room energy positive and low key. Please keep this in mind when planning your event.
- We are always all ages, however...**Please keep in mind that we are a brewery, and we serve alcohol. We can host a child's first birthday, but we are not an appropriate venue for any other minor-focused gatherings. Children of all ages (toddlers to teenagers) need to be within arms-reach of their parents/guardian, using inside voices and engaging in appropriate behavior at all times. Running, screaming, and crawling through entry and service areas, and jumping or climbing on furniture, are all examples of behaviors that risk safety and negatively impact the environment for other guests. Children are not to be unattended at any time.

Group Tabs (please initial all):

- There are no bar minimums** required for reservations. Guests can order individually, or the host can run one large tab for your group if a credit card is provided upon ordering. Tabs can be split between multiple people if desired.
- There is no automatic gratuity** required for reservations in any of our event spaces, however it is **customary for large parties to leave a 20% tip.**
- You can use drink tickets** (to be provided by guest) to limit the number of beverages on your group tab. Beverages cannot be pre-purchased.

- Ambient noise from the taproom, brewery, and our vendors (music, conversation, brewery equipment) cannot be excluded from the room and fluctuates unpredictably throughout the day. This is not generally distracting for parties, but if you are planning a presentation, meeting, or speech, please keep this in mind.
- There are no speakers, podium, or P/A equipment available, and we do not allow them to be brought in.
- Our historic PNW brewery changes temperature with the seasons. In the summer, it gets hot. In the winter, it gets cold. We'll do our absolute best to make you and your guests comfortable but please advise them to dress accordingly. If our taproom has to close due to extreme weather, we will inform you with as much notice as possible and you will be eligible to transfer your reservation or receive a full refund.
